(a nonprofit organization), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Montgomery Coalition for Adult English Literacy, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of functional expenses on pages 12 and 13 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1: Organization (Continued)

Public Engagement

MCAEL acts as a catalyst for community outreach and education about the benefits that adult English literacy brings to the whole community. MCAEL is a community resource and knowledge center for information on adult English literacy in Montgomery County. MCAEL engages the broader community to understand literacy needs, garner support, and promote the 60+ programs that provide English Literacy services. Activities include:

- Data Collection and Analysis
- Reports
- Provider Directory
- Learner Stories
- Promoting Community Literacy
- Coalition Building
- Connecting Business, Government, Nonprofits, and Individuals
- Local, State, and National Policy Monitoring

MCAEL directly supports 60+ adult literacy programs in Montgomery County, providing coordination and collaboration to build the capacity and quality of those programs. The leveraging power of the coalition supports a system that serves almost 20,000 adult English learners allowing them to move from poverty to prosperity, from dependence to independence, and from isolation to full engagement in our community. MCAEL supports a wide range of organizations, yet there are still almost thousands of adults in the County that are identified as Limited English Proficient who are not in classes or receiving tutoring. The County's English language learners support the economic and social growth of Montgomery County as a whole.

In fiscal years 2016 and 2015, MCAEL served over 200 instructors and provider staff (unique individuals) to improve their skills. Additionally, 58 instructors and provider staff, attended a MCAEL meeting/workshop for the first time. MCAEL connected with almost 40 separate organizations, and multiple programs at those organizations through a professional development institute for provider staff and instructors, workshops, e-news, resources, technical assistance, etc.

With funding from Montgomery County, MCAEL awarded in fiscal years 2016 and 2015, \$950,000 and \$910,000, respectively, of County grants. The funding supported 18 organizations and 22 programs and 18 organizations and 16 programs, respectively. The grant funded programs served over 5,000 learners in fiscal years 2016 and 2015. The coalition serves between 15,000 – 20,000 learners annually.

Note 3: Summary of Significant Accounting Policies

Cash and Cash Equivalents

Cash and cash equivalents include cash held in checking and money market accounts.

Income Taxes

MCAEL is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. MCAEL has been classified as other than a private foundation. Any income that may be determined to be unrelated is taxable.

Revenue Recognition

Contributions are recognized as revenue when received or when an unconditional promise to give has been received and sufficient documentation exists. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Revenue from grants and contracts is recognized as related qualifying expenses are incurred.

Donated Services, Materials and Facilities

The Organization uses in-kind contributions to support its programs. These donated services, materials and uses of facilities are reported as in-kind contributions on the statement of activities and statement of functional expenses.

In addition, non-professional volunteers donated time to perform a variety of tasks that assist MCAEL. For the year ending June 30, 2016, MCAEL had 75 volunteers donate 1,214 hours

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying statement of activities. Accordingly, certain costs have been either directly charged to the programs and supporting services as incurred or allocated based on usage.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect specific amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property and Equipment

Property and equipment is stated at cost. The cost of maintenance and repairs is recorded as an expense when incurred. MCAEL capitalizes property and equipment purchases that are valued at \$2,500 or greater and that have an estimated useful life of greater than one year. Depreciation is calculated using the straight-line method over the estimated useful life of five years.

Subsequent Events

For the year ended June 30, 2016, MCAEL has evaluated subsequent events for potential recognition and disclosure through July 27, 2016, which is the date the financial statements were available to be issued.

The Federal Deposit Insurance Corporation (FDIC) insures accounts up to \$250,000 at each financial institution. At June 30, 2016 and 2015, MCAEL maintained its bank account balances within the FDIC-insured level.

MCAEL receives a substantial portion of its revenue from a local government. During fiscal years 2016 and 2015, MCAEL received, respectively, approximately 94% and 92% of its revenue from the Montgomery County Government.
