

LEARN ENGLISH FALL CLASSES

CLASS LISTING INFORMATION

MCAEL is providing this special "mini-directory" to highlight classes available for the Fall of 2020. Please note that most, if not all, classes will be held virtually for the safety of learners and instructors.

This flyer lists community providers who offer adult English literacy instruction to those who live and work in Montgomery County, with a focus on Fall 2020 classes. Updated and expanded entries are available at www.mcael.org/providers. Please contact organizations directly for full information since some organizations may only be accepting learners who have been tested and placed in their corresponding learning levels.

ADVANCING ADULT ESOL ACROSS THE COUNTY

MCAEL is a non-profit organization that strengthens the community by advancing a coalition of organizations dedicated to enabling all Montgomery County residents to achieve their full potential by improving their English language skills.
